

"Palace" Glass
Simon Gate
1923

Optic blown from one piece of glass. Twisted to form a series of translucent ribs. Signed and dared first of thirty pieces made. Blown by master-blower Knut Bergquist, one of the only glass blowers able to achieve this technically difficult task. Designed 1923 for the 300 anniversary Gothenburg exhibition.

Ref. 7508

Produced by Orrefors

H. 17cm/6.7" DIA. 14.5cm/5.7"
