

Prototype Chair  
Jorgen Hovelskov  
1961

Pine frame. Seat and back nylon thread. A predecessor to the famous Harp Chair. The "Harp" chair's form was based on a Viking Ship's bow section. The configuration of the flag halyard gives the design a powerful optical quality. Provenance: Jørgen Høvelsskov.

Ref. 5643

H.74cm/29.1" W.69cm/27.2" D.74cm/29.1"  
Seat height 41cm/16.1"
