

Floor Lamp
Bo Notini
1930

Nickel and painted base, stem and shade. Glass
under shade. Both uplight and downlight.

Ref. 5919

Designed in 1937, when Bo Notini started at
Böhlmarks and affiliate company Glössner. Notini
probably designed this model together with his
uncle Harald Notini. The the same kind of base ap-
pears on two other models made in the beginning
of the same decade.
